

# Free Standing Partition Screens

Our Freestanding Partition Screen or Portable Screen Range is a comprehensive range with any single screen size available up to a maximum of 2400 H x 1800 W x 75mm.

All screens are covered in a choice of fabrics and are ideal for partitioning of an area on a temporary or full time basis.

Each screen is as its name says freestanding and is ideal as an acoustic or visual barrier.

Accessories include joining clips, corner brackets and castor wheels.

All prices quoted are Ex-Factory and are inclusive of GST.

**Order from our Standard Colour Range to receive a pricing discount.**

\* A lead time of 7-10 working days applies to all orders.

\* A 50% deposit is also required before any screens are manufactured.

\* Delivery is available at an extra charge, and is priced per job.

## Standard Colour Range

- Light Grey
