TIMELESS AND REFINED

The Mode chair family can be used in so many office applications; task and executive seating, conference, boardrooms and guest seating...

The Mode Chair's clean lines make it a timeless classic that is versatile and will fit into any office environment.

The luxuriously padded seat forms close parallels with your body making it comfortable to sit in for short or long periods of time.

With a ten year warranty and a 140kg weight rating you can be confident you are making the right decision when you invest in a Mode Chair.
