

VELOCITY

VELOCITY HIGHRISE

ADJUST YOUR WORKSPACE TO SUIT YOU

Use Velocity Highrise desks and workstations to create a work area that works for you.

Velocity Highrise will allow you to work whilst sitting or standing, depending on how you prefer to work. With the easy to use winder handle, these desks can be adjusted to the exact height you require.

Combine Velocity Highrise desks and workstations with Cubit 50 or Connect 30 screen systems to create a vibrant and dynamic workspace that allows privacy for each individual member of the team.

Velocity Highrise is in stock in silver and available in white powdercoat finish. Choose your worktop colour from the large range of standard colours on offer.

With a 5 year manufacturer's warranty Velocity Highrise will offer peace of mind and added comfort while you work.

- > Available in white or silver finish
